Re: Public Meeting – City Hall Plaza

I would like to invite the Board of Aldermen to a rescheduled City Hall Plaza design review and public input meeting on Wednesday, April 13th, 2016 in the City Hall Auditorium at 6 pm.

The original plans for City Hall Plaza prepared by Anne Cruess, Chair of the NH Board of Landscape Architects will be presented along with some subsequent modifications to those plans. We wish to encourage feedback and discussion from city leaders and members of our community.
